

SCOTTISH ST. ANDREWS SOCIETY OF GREATER ST. LOUIS

There will be a second formulative meeting of the St. Andrews Society of Greater St. Louis. Place: Farm and Home Savings and Loan Clayton, Mo.

Date: September 29, 1972 - Friday

Time: 7:45 P.M.

Since our first meeting (9/5) a voluntary committee met, and has determined a Preamble, Constitution and By-Laws, by which St. Andrews Society of the Greater St. Louis Regional area could be governed. The purpose of the September 29th meeting, will be to elect officers (President, Vice President, Secretary, Treasurer, Attorney and Chaplain). Nominations will be heard, and made from the floor, for these offices, at the meeting. Also, the reading, and accepting of the Preamble, Constitution and By-Laws will be read, discussed and approved.

As our previous release stated, the purpose of this Society is the perpetuation of Scottish heritage and customs, with the family unit participation in folk dancing, ballroom dancing, reels, flings, etc., forming a pipe band, historical and social events ---all, to be an integral part of the organization.

St. Louis needs a Scottish St. Andrews Society and we are looking forward to at least having over 100 interested people at the meeting. To be announced at the meeting, are plans for a dinner-dance on November 25th, 1972.

Come, be with us and be in on the beginning of what should be an enjoyable and everlasting association with the flavor of Scotland and Scottish heritage.
