

Scottish St. Andrew's Society of Greater St. Louis

MAY BULLETIN - 1974.

Greetings - I hope you had an enjoyable time at our Picnic and did not suffer too severely from the heat nor too many after effects from exposure to the sun. It did seem to be a fun filled day for everyone and except for the contretemps with the closed highway, everything seemed to go off very successfully.

I did not anticipate having another general meeting before Fall, however we have been able to get the use of the Clayton - Federal Trust Co. auditorium for Monday, June 17th, so we will have a meeting that night at 7.30 p.m. We will have a showing by Clare Condon of some of her slides of North England and Wales and a young ballad singer from England. There will be refreshments and socializing and we have some special business to transact regarding our affiliation with the "Meeting of the Waters Pipe Band", and your agreement to this affiliation. There will also be a motion from your Executive Board that we purchase 3 drums for the St. Andrew's Society for lease to the "Meeting of the Waters Pipe Band". Full explanation will be made at this meeting of the proposed agreement of affiliation. We, of the Executive Board are in complete accordance with the articles of affiliation, and highly recommend that the general membership, vote Yes to the affiliation and also to the proposed purchase of drums.

Trusting we will have a large turnout of members at:-

Clayton Federal Savings and Loan Co.,  
Elm and Lockwood,  
Webster Groves.

Monday, June 17th 1974. - 7.30 p.m.
