

*The*  
*Scottish St. Andrew Society of Greater St. Louis*

June Bulletin 1976.

Contrary to our earlier plans we have decided to have a meeting this month on Monday 28th June, at our usual meeting place, Eden Seminary Library Auditorium. We want to make a final report on the Highland Games and also to present the checks to the various childrens charities. Using the various suggestions from members we have decided to give to 4 Charities, St. Louis Children' s Hospital, The Shriners Hospital for Children, The Cardinal Glennon Hospital and Edgewood Children's Home in Webster Groves. There will be \$1000 for each of them and I do trust that you will be as pleased as we are at this accomplishment. We have decided to make an occasion out of it when we present the checks, so please come and help us to celebrate. There will be Pipers there and we hope also a concert with some publicity to honor the special occasion, with something to eat and some dancing.

We are enclosing a questionnaire with this letter so please mail it back to us before the meeting. We want to know what your feelings are about Highland Games and their future in St. Louis. We want to have them if it can be done without interfering with the full functioning of the St. Andrew Society. A great amount of interest has been generated and not only the City Council of Webster but many others have indicated they want a repeat next year. What are your feelings, what should we change, add, or delete, and how soon should we have them? How many people will actively participate and in particular if you are in favor of them, how would you plan to become involved. These are important questions so please mail your reply before our next meeting.

I was supposed to get this to Betty Matthews last week but I have been so heavily involved with the final details on our flight to Scotland that I let her down, and I apologise to all of you for giving you so little time.

Sincerely,

*Bill Rtrial.*

President.
