

The
Scottish St. Andrew Society of Greater St. Louis

March 1976 Bulletin

We have had a very eventful month as a society and before I elaborate on that I would like to extend our sympathies to Agnes and Bill Stirrat and Family on the death of Agnes' father last week.

President Bill is home from the hospital after having undergone some observations on a heart murmur.

Dues are due - and payable now.

The next Meeting is on Monday 22nd March at Eden Seminary Library Auditorium, Lockwood, Webster Groves at 7.30p.m.

Our concert and party was a marvellous success and I thank the many many workers who made it so. Financially we did exceptionally well and will be able to add a large sum to our Highland Games Fund, exact total not computed yet. Our plans for the Games are really progressing but we still have much to do. Please if you have not been contacted and would like to help, call Bill Stirrat at 962-9769 or Hazel Craig at 961-4833. If you know of any firm whom you think might take an ad in our souvenir program contact Joe Coulter at 961-4756. April 1st is the deadline to turn in ads. See your favorite or friendly grocer, service station, insurance man or whomever and turn in an ad to Joe. Enclosed is an ad size sheet. We have most of our bands engaged, we have dancers coming, the Gaertners will be there with their sheep dogs and border collies, we have some good caber throwers coming and the Lions Club of Webster are going to handle the food. Keep boosting the Games, we will have posters for you and bumper stickers and tickets printed shortly. Games Steward Norman McKenzie was in St. Louis last Friday and met with Alex Sunter, Hazel Craig, Peggy Flynn, Kathleen Couppliditch, Bill Henry, Ian Cohen, Clare Condon and myself, we learned that with all we've attempted to do to date, we still have lots of things to do, to pull off a smooth 'games' program.

Any member wishing to put up visiting bands, please complete the enclosed form and return to Mrs. Craig.

Bill Sandback.

1st Vice President.
