

SCOTTISH ST. ANDREW SOCIETY OF GREATER ST. LOUIS

JANUARY 1987

Dear Member:

Christmas has come and gone, and we are now into the New Year and looking towards our premiere event, the Burns Supper. In the past the weather for this occasion has ranged from the sublime to the ridiculous! However, we cross our fingers for something less than six inches of snow.

The Christmas Party was a great success and we had some exquisite moments between Santa and the children (No, you can't get a horse into a Christmas stocking!). Our thanks to Winnie Shirreff on piano, choreography and song-leading by Babs Stirratt and Jean Cobain was much appreciated. Mr. Claus thanks Tom and Sandra Brennan for the splendid fireside setting. Betty Sunter and Eileen Hacker kindly decorated the tables.

Our future programmes are shaping up well. Mr. & Mrs. J. Milton McLeod will give us an illustrated talk on "Prince Edward Island" at Salem Methodist Church on 26th January, 1987. However, due to a previous booking at the Church, we will be unable to have our meeting on February 23rd, the date for this meeting has been moved to take place on March 2, when we will see a wonderful film on piping, showing some truly beautiful Scottish scenery. On March 23rd we will have our Irish evening, featuring Helen Gannon and her dancers and musicians, always a joy!
Special Announcement: BATTLEFIELD BAND in concert at the Kirkwood Community Center, on Monday, April 13, 1977. Tickets will be available in mid March from Art Vasterling, Sandy Mount Productions, and Focal Point.

Probably no-one (without a Scots dictionary) got the word FEFF which means a 'bad smell' or 'stench'. Here's an easier one

DECREPIT

We all join in wishing Winnie Shirreff a speedy recovery after her fall, hopefully she will be at the Burns Supper, hale and hearty.

May I take this opportunity to wish our membership a Happy and Prosperous New Year for 1987.

Sincerely *Tom Forrester*

Tom Forrester, President
